Full list of author information is available at the end of the article

1 Retraction note

The Editors-in-Chief have retracted this article [1] because it shows evidence of peer review manipulation. In addition, it overlaps significantly with an article by Sun et al. [2] that was simultaneously under consideration with another journal. The authors have not responded to any correspondence from the publisher regarding this retraction.

Author details

¹College of Applied Mathematics, Shanxi University of Finance and Economics, Taiyuan, China. ²Department of Applied Mathematics, Yuncheng University, Yuncheng, China. ³Faculty of Science and Technology, Universiti Kebangsaan Malaysia, Bangi, Malaysia.
