# Retraction Note: Boundary value behaviors for solutions of the equilibrium equations with angular velocity

Jiaofeng Wang[1], Jun Pu[2], Bin Huang[3*] and Guojian Shi[4]

## 1 Retraction note

The Editors-in-Chief have retracted this article [1] because it significantly overlaps with an article from other authors that was simultaneously under consideration at another journal [2]. Additionally, the article also shows evidence of authorship and peer review manipulation. The authors have not responded to any correspondence regarding this retraction.
